Thank you Michele. Henry and I plan to respond shortly – we are still reviewing and discussing as I was tied up with something else for a while when we got the letter. He and I will definitely discuss this week and I will get back to you ASAP.

{EXTERNAL EMAIL}

Hi Mary,

Chris received an email from Mr. Brown about wanting to start work on the plug as soon as possible. I am responding to that email for EPA. If the terms of the last letter we sent are agreeable, then EPA can draft the AOC and both parties can sign it. Once the AOC is executed, Mr. Brown can proceed with the work. Please let us know if we are in agreement so that we may send you an AOC soon.

Thanks,

Michele
